I'LL ASK YOU, TOO.
WHAT GILLIAM IS TRYING TO DO IS PIT NORMALS AND ESPERS AGAINST EACH OTHER INTO MUTUAL DESTRUCTION

HEY.
I COULDN'T EVEN FIND ONE GOOD THING...
REALLY, THEY'RE TOTALLY USELESS, HOW DO I SAY IT,
THEY'VE COMMITTED ROBBERY, DESTRUCTION, SMUGGLING,

BUT.

WE WON'T DECIDE THEIR METHODS.
BECAUSE THEY'RE USELESS, THEY CAN FIGHT AGAINST ANY ENEMY
AND THEY CAN CHOOSE HOW THEY FIGHT THOSE ENEMIES
BUT...

OUR ENEMY IS...

THANKS PAGE!

Hello everyone, it's me, Haolen, and well, after so long (mainly by hiatuses on my end), we're at the last chapter of the High School Arc First Part, and what to say? It's been a long way until here, practically three years since we began to scanlate it.

So many things have happened since then in my life, but the greatest part is without a doubt this project. Along the way, I have to thank a lot of people that have helped a lot through this project. Kat, for being our biggest ally in the creation of the chatpers since the very beginning, I can fairly say that without her we'd still be stuck at the first chapter, really, THANKS A LOT KAT! Also our first proofreader who boosted our chapters from 1 to 10, Sinlinara, though she needed to move on to more important prospects in her life I'm always thankful for her help. Also, the most passionate genius of ZKC that is our current proofreader, raw-hunter, cleaner (for The Unlimited), typesetter, colorist, Mir, who helped in so many ways that I can't count. Seriously, thanks, I hope to keep being with you in this project. Also, Cassidy, our social manager that without her our chapters would always be delayed. Really, thanks for all your help. And last but not least, Rei, our new translator in charge of The Unlimited manga, thank you so much, you realized one of our first dreams when we started ZTP, which was to translate The Unlimited, I hope you stay with us for a long time too ^^

And obviously thanks to you, the readers, for being here, for having the patience for someone like me that doesn't have the knowledge of your language and that is just a student of English and Japanese, not to mention our hiatuses.

I'll always be grateful for you letting me do this and helping me to grow.

You can be sure that we'll be here for the second part, and for now, this is it! See you again this summer!!
